Financial Update – Gavin.

- John W. is out this month.
- John W. and Brad met before Board Meeting to review numbers with Gavin.
- 15k deficit in underwriting projections so far this year.
- Still projecting excess revenue.
- Listener response to funding cuts and recission has been strong so far.

By-laws revisions – Gavin.

- John J. has reviewed.
- John J. moved to approve. Bianca seconded.
- Marcy and Ian abstained due to not having examined the document.
- Motion to accept By-laws passed.
- Need to create a version with signature footer for Board.

Next Generation/FEMA/CPB – Gavin & Bill.

- CPB has a stop work order in place.
- Park City is off the air again.
- Bill is hoping to swap the back-up exciter from Farnsworth Peak and install it on Lewis Peak.
- Bill provided some basic numbers to fulfill our grant. He suggests that we order equipment and attempt to get it reimbursed from CPB before the window closes entirely.
- The board motioned to order the equipment and to approve the expenditure despite the possibility that it will not be reimbursed by FEMA/CPB.
